1. The Autooraga factory in Prague-Vysocany, Czechoslovakia, has started to manufacture tanks. The plant produces ten to twelve completed tanks per week. No further details are known.
2. At Prokopske Udoli near Prague between Beranov and Blizhov a tank plant was reopened in 1950; it was used by the Germans during World War II. The factory is now producing at the rate of about 12 per week.
